Financial Markets (with Honors)

# Jorge Martinez

Process Optimization Lead at Openbank | Ex-McKinsey  
Monterrey, Nuevo León, México

## Extracto

Economist | Management Consultant | Tec Consulting Club Founder

I am passionate about business, financial markets, investments, and technology. A mathematics-driven, analytical mind dedicated to solving complex problems as if they were puzzles. Proudly graduated as an economist from ITESM, now thriving as a management consultant at McKinsey. Founder of the Tec Consulting Club, empowering aspiring consultants to reach new heights. Enthusiastic about surrounding myself with brilliant minds to drive innovation and create impactful solutions.
